**To: All Hon'ble Members of BGMEA**

Dear Colleague,

Greetings from Bangladesh Garment Manufacturers and Exporters Association (BGMEA).

In every winter season BGMEA is distributing warm cloths to poor and rural people. Mostly rural people of North-West part of the country become very helpless and suffer the worst. They fail to tolerate the extreme coldness and suffer from various diseases. Cold wave is likely to be experienced from next month in many parts of the country.

As the largest association of the country, we believe that this is our social responsibility to support the helpless community around the country. Although the RMG sector of Bangladesh is facing the global economic crisis, we may try to contribute as per our capacity for the sake of humanity.

You may donate blankets, sweaters, hoodies and other readymate clothes (including warm cloths). We shall also collect financial donations to support the greater humanity.
