To All Hon'ble Members of BGMEA**Subject: Free Rooftop Solar PV Assessment for BGMEA Member Factories**

Bangladesh's RMG sector is increasingly exploring renewable energy solutions to reduce electricity costs, enhance energy security, and support the sector's transition towards sustainable manufacturing.

In this regard, BGMEA has received an Expression of Interest (EOI) from the Joint Venture of Gtech Infrastructure Ltd. & IEC to conduct rooftop Solar PV assessments at BGMEA member factories free of cost.

Interested member factories may voluntarily opt for this assessment. The assessment is expected to cover:

- **Site Assessment:** Evaluation of available rooftop space, structural suitability, and orientation.
- **Solar Resource Assessment:** Review of solar irradiation, shading conditions, and estimated solar generation potential.
- **Technical Assessment:** Review of suitable Solar PV system configurations, technology options, and integration with the factory's existing electrical infrastructure.

The assessment may help factories understand their rooftop solar potential, indicative energy generation capacity, and opportunities for reducing electricity costs and improving energy security.

Interested BGMEA member factories may contact the following organization to express their interest and arrange the assessment:
