Today, the apparel industry faces ambitious goals: from strengthening technological sovereignty and deep localisation of production chains to introducing innovation and training a new generation of professionals. **Interfabric** has traditionally become a hub for addressing these challenges – where the latest developments are demonstrated and cooperation links between business, government and the scientific community are forged.

Anton Alikhanov,
Minister of Industry and Trade of the Russian Federation

*The concept of an industry-wide exhibition and its format strike a chord with both international and Russian colleagues. We have largely achieved the goals we set for the development of **INTERFABRIC**. The exhibition was a success.*

Andrey Razbrodin,
*President of the Russian Union of Textile and Apparel Industry
Entrepreneurs (SOUZLEGPROM) – the official exhibition partner*

*The business programme spanned **3 conference halls and the plenary hall**.*
