WEAVING WAY TO SUSTAINABILITY

4th International

Textile Exhibition

18 Aug - 20 Aug, 2022

The background image shows a well-lit exhibition space. On the left, a large, colorful textile panel with horizontal stripes in green, yellow, red, orange, and purple is displayed. In the foreground, a rack of various colored garments is visible. In the middle ground, a woman with curly hair is seated at a table, looking at a book or document. Behind her, shelves are filled with neatly folded and stacked fabrics in various colors and patterns. The ceiling is high with a grid of lights, and the overall atmosphere is bright and professional.

About TeXpo

An ode to the remarkable journey of Pakistani thread which over the years has traveled across borders and empowered countless lives across the globe. It has given dreams to millions, by being a source of labor, shelter and clothing where ever it touched upon. It isn't a mere thread or a fabric but an essence of life which has over the years evolved and has singularly shaped the lifestyle of humanity.

Pakistan is proud of producing the irreplaceable thread which has fueled the textile industries across the world and has set unmatched standards in quality and innovation.

The TEXPO 2022 enlightens the world about the power of thread produced by Pakistan and how it has evolved over the years, touched upon every corner of the world and is capable of meeting the futuristic and inclusive global demands.
