Subject: Participation in Global Sourcing Expo Melbourne to be held during 21-23 November 2023

Dear Sir,

We have the pleasure to inform you that Australia's dedicated global sourcing trade show is held twice a year with expos in both Sydney and Melbourne. Having the show in the two leading cities of Australia provides enhanced opportunities for companies and exporters in apparel, textiles, home and gift to reach their targeted trade buying audience. As the first truly global wholesale sourcing show of its type in Australia with origins dating back to 2010 the two editions of Global Sourcing Expos Australia enable companies to directly target more than 3000+ trade buyers and industry professionals in both Sydney and Melbourne. Global Sourcing Expo Melbourne provides a dedicated show platform to connect global manufacturers, producers, service providers and fashion labels with trade buyers and industry professionals from Australia, New Zealand and beyond.

The Show now includes a focus on home and gift, as well as apparel, accessories and textiles. The main target of this show is to communicate the wholesale and retail buying groups, this is an ideal opportunity to enter the Australian market and access trade buyers throughout Australia.
