It is my pleasure to inform you that BHARAT TEX 2024 - a global textile mega event being organized by a consortium of 11 Textile Export Promotion Councils and supported by the Ministry of Textiles is scheduled from 26-29 February 2024 in New Delhi, India. With a focus on sustainability and resilient supply chains, it promises to be a tapestry of tradition and technology attracting the best and the brightest from the textile world.

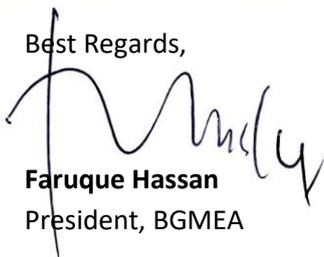

Bharat Tex 2024 is a prominent international industry platform, featuring exhibitions, knowledge sessions, thematic discussions, Government-to-Government (G2G) meetings, Business-to-Business (B2B) networks, the signing of Memoranda of Understanding (MoUs), product launches, thematic and interactive pavilions and various other activities. The event has been designed to attract multiple stakeholders including top policymakers, global CEOs, international exhibitors and global buyers.

It will also feature nearly 50 different knowledge sessions providing an excellent platform for knowledge exchange, information dissemination and G2G and B2B interactions.
