Subject: Support for the Flood and Cold Affected People

Dear Colleague,

Assalamu Alaikum.

You are aware that the garment industry in Bangladesh plays a crucial role in earning foreign currency in the country's economy. Recently, due to the occurrence of natural disasters in different parts of the country, many people are leading difficult lives. In this adversity, the garment industry, as the largest contributor to the economy, has a social responsibility to provide support to needy people in collaboration with BGMEA.

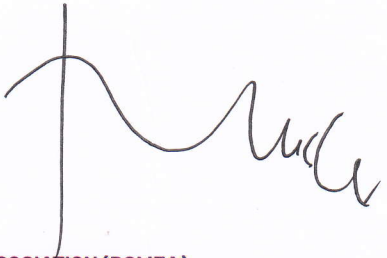

You are also aware that the winter season is approaching. Therefore, in this upcoming period, BGMEA, as it does every year, has initiated a project to distribute warm clothing among vulnerable cold-affected people.

We believe that your generous support will contribute significantly to this noble initiative. BGMEA has been involved in various welfare projects for the betterment of the people over time.

In this context, we kindly request you to consider providing dry food, clean water, medicine, saline, candles, mosquito repellent coils, water purification tablets, suitable food items for children and winter clothing for women, men and children, as well as blankets and cash for assistance to disaster-affected and cold-affected people.
