Sub: Invitation to submit application for the “Commonwealth–Bangladesh Green Business Award”.

Dear Sir,

Greetings from the Federation of Bangladesh Chambers of Commerce and Industry (FBCCI).

We are pleased to inform you that Commonwealth Enterprise & Investment Council (CWEIC) has announced the third edition of the **Commonwealth–Bangladesh Green Business Award**, in partnership with the Government of the People’s Republic of Bangladesh.

It will recognise a business within the Commonwealth that harnesses technology and innovation to build sustainability and resilience. The emphasis is on the use of technology and innovation to drive sustainable behaviour, creating measurable impact on society.

The 2025 award will be presented during the CWEIC Global Advisory Council Meeting on **25 November 2025 in London**. The winner will receive £10,000 in prize money including the award.

The presentation will coincide with the prestigious Commonwealth Banquet at the Mansion House, one of the highlights of the Commonwealth calendar. The award recipient will be invited to attend the Banquet alongside Commonwealth dignitaries, senior government officials, and members of the Diplomatic Corps.

Examples of eligible entries include:

- **A company introducing sustainable manufacturing processes through innovative technology to reduce carbon emissions.**
- **A business pioneering greener energy solutions for large-scale use.**
- **A platform designed to accelerate the adoption of renewable energy.**

THE FEDERATION OF BANGLADESH CHAMBERS OF COMMERCE & INDUSTRY

Entries will be assessed on:

- Level of Innovation
- Level of Impact
- Technological Advancement
- Growth Potential
- Advocacy for Sustainability
- Commonwealth Relevance
- Potential Impact on Small Island Developing States

Interested business entities are kindly requested to submit the attached application form by **21 September 2025**.

Kindly note that, **FBCCI will nominate two (2) business entities from Bangladesh after a careful review of the submitted applications. The winner will need to travel to London in November 2025 at their own expense to receive the award.**

For further information, you are kindly requested to contact **Ms. Saba Tabassum Asha, Executive (Int'l), FBCCI, Mobile/WhatsApp: 01788825238**

With best regards,

Md Zafar Iqbal ndc
Head of International Affairs, FBCCI

Awarding Criteria

Each application will be scored between 0 – 5 against the following criteria to create a shortlist. The top 5 shortlist will then be reviewed by the judging panel to make the final award.

The judges will assess your application based on the below criteria, please try to address them in your application.

Level of Innovation

- How innovative is the applicant?
- How are they challenging established norms?
- Are they disrupting entrenched industries and challenging the status quo?

Level of Impact

- What has changed as a result of this business?
- How widely has the impact been felt, does it go beyond the business' traditional base?
- Will the impact last or is it temporary?

Level of Technological Innovation

- What new technology are they bringing to the field?
- How are they contributing to global R&D and progress?
- Is the technology going to change the way we live our lives?

Growth Potential

- Will the business become a superstar, locally or internationally?
- Does the business have the scope to grow and meet new challenges?
- The technology may be great, but is it a viable business that will be with us for the long term?

Advocacy for Sustainability

- Outside of their technology and core business, how is the nominee contributing to making the world a greener, more sustainable place?
- Where and how are they making their voice heard?

Commonwealth Content

- Is this a truly Commonwealth business?
- Is it active in more than one Commonwealth country?
- Can its technology and innovation provide solutions to challenges across the Commonwealth?

Newsworthy

- Is this nominee exciting and vibrant, will it attract global press attention if awarded?
- Are there any negative issues that should be considered that may bring the award into disrepute?

Application Quality

- Was the application completed well and in a timely fashion?
- Have there been any issues with the application process?
