To: All Hon'ble Members of BGMEA**Subject: Flat 25% Reduction of RSC Annual Subscription Fee.**

Dear Colleague,

Greetings from Bangladesh Garment Manufacturers and Exporters Association (BGMEA).

The industry members of the RSC board in discussion with the RSC have decided reduce the annual subscription fee of the RMG Sustainability Council (RSC) by a flat 25%.

The BGMEA Board believes that this initiative will offer meaningful financial relief to the Hon'ble Members, while simultaneously ensuring the continuation of ongoing efforts to uphold workplace safety standards and promote long-term sustainability across the industry.

This reduction will be effective immediately and will apply to the upcoming billing cycle for the year 2026.

Thanking you,

Salim Rahman
Acting president
