Fabric to Finish Solutions in Garment and Textile Manufacturing : Under One Roof!

Gartex Textprocess India, the most comprehensive B2B exhibition on garments and textile machinery, fabrics, accessories, and allied solutions is all set to make its emphatic return in 2023 in Delhi and Mumbai.

Organized by MEX Exhibitions Pvt Ltd and Messe Frankfurt Trade Fairs India Pvt Ltd, the show's strong industry foothold will allow international and domestic stakeholders to capitalize on the garment manufacturing sector's extensive business opportunities through professional networking. The exhibition has been writing numerous success stories ever since its inception and has grown exponentially with each iteration.

Besides displaying a wide array of innovative products and solutions from the textile and garment sectors, the show also features a string of seminars and workshops from seasoned industry experts, facilitating a consolidated experience for all attendees and buyers.

Gartex Textprocess India also incorporates The Denim Show, a premier platform on the entire denim value chain, along with Fabrics & Trims Show, an international exhibition for fabrics, trims & accessories, and Screen Print India, India's leading trade fair on screen, textile, sublimation and digital printing technologies.

The trade show has established itself as the trendsetter for India's garment and textile industry by orchestrating a lucrative platform that brings manufacturers, dealers, suppliers, distributors and associated contributors in the garment and textile sector under one roof and provides a cohesive fabric to finish experience to the exhibitors and visitors alike.

The show's various speciality zones and focused segments ensure cross-sector, creative, and collaborative interactions among industry stakeholders, while the power-packed environment highlights the latest tech advancements and trends that the country's textiles and apparel industry is moving towards. The show also brings the latest innovations in the manufacturing value chain and provides a pedestal for the sustainable development of the industry.

Exhibitors' Testimonials

★★★★★

We are very happy that we have participated in GTI. We have several products, including new products on display with the latest technology that supports IoT and other latest trends. We are displaying our new range of spreading machines and a lot of other garment machinery as well. The experience with this show has been very good, we have got excellent footfall and a lot of prospective customers visited our stall and we are pleased about it.

Mr S. Bharath,
Director,
Mehala Machines India Ltd

★★★★★

We are a company based in Mumbai producing all kinds of viscose rayon and polyester embroidery threads. At the Gartex show, we have launched our new product, spun polyester threads for the sewing, embroidery and garment industry and we are getting a very good response and are delighted to be a part of GTI. We thank the organizers for this show and are looking forward to a good business from the visitors here.

Mr Rashid Sayyad,
General Manager, Royal
Embroidery Threads Pvt Ltd

★★★★★

We are a 15-year-old company specializing in embroidery machines. We displayed a single head embroidery machine with eight sequence devices, two beaded devices and much more. Everyone is happy to see these devices running in harmony and sync with our machines. Thank You to Gartex for giving us this excellent opportunity to showcase our machines.

Mr Mukund Agarwal,
Business Head,
Baba Textile Machinery

★★★★★

We did not come here just to display sewing machines, but the complete solutions in garment manufacturing like embroidery spreaders, machines, etc. We have participated in other shows but Gartex is the best platform in the Garment Industry because of all the facilities provided and the good response that we get here. Even though it is raining outside, the footfall is still strong. We are looking forward to participating next year as well with a bigger stall. Thank You!

Harsh Agarwal,
Director, MRA Sons
Enterprises Pvt Ltd

★★★★★

We are an Italian based company and we are into cutting solutions for the garment industry. The response has been quite good and the reason why we have repeatedly participated in Gartex is for the response and the ambience. The turnaround has been quite good and people from all across India have visited this exhibition. We look forward to participating again in future with a bigger space and exhibiting more machines so that we can have a better foothold. Thank you.

★★★★★

We have been participating in Gartex since 2016 and the experience has been wonderful so far. This year, in 2022, we have participated with our full strength of machinery and latest technology. We got the opportunity to demonstrate our machine by practically operating them in front of the customers. We have many other technologies like laser, camera, white pearl, three pearl etc. So far the experience has been wonderful and we made some unforgettable memories. Thank you Gartex for providing a wonderful platform.

Deepak Choudhary,
CEO,
Aura Technologies

★★★★★

This year we displayed our Digichrome printing solutions and new reactive inks and received an excellent response from clients and visitors. We look forward to participating next year as well.
