Marking their success in international arena, sector leading companies come together for unique export opportunities along with accessing to brand new network and business collaborations.

**Intertex Portugal, which includes all textile products and services, is a unique fair that should not be missed.**

## WHY PORTUGAL?

- Portugal is the world leader for high-quality technical textiles, especially performance fabrics and fabrics made from recycled materials and is also one of the world's largest manufacturer and exporter of shoes and leather goods. The textile industry is one of the most prioritized and important sectors for the Portuguese economy and employs more than 138.000 people in 5.000 companies working in all sub-sectors of the textile and fashion industry.
- Portugal has currently one of the strongest textile industries in Europe and is known for its impressive craftsmanship and expertise in high-quality clothes and home textiles. "Made in Portugal" is a symbol of quality & reliability and it also means the product was made in an environment that is socially and ecologically responsible.
- Portugal is known around the world as an excellent destination for apparel sourcing and manufacturing for clothing brands of all sizes.
- Due to its great geographic position, it is easy for shipments to reach Europe and the Americas quickly, saving time and money on shipping.
- Portuguese clothing and textile manufacturers have the know-how and the technology to produce high-quality garments for a lower cost than many of their European counterparts.

## WHY EXHIBIT?

- Intertex Portugal is the only the biggest international exhibition to enter into Portuguese market and participants will be able to take advantage of all these opportunities with the buyers.
- Delegations and professional visitors from more than 20 countries; not only from neighboring European countries but also from USA and South American countries.
- Intertex Portugal is where you can discover thousands of trendy products of widely known brands and chain stores. Over 8.000 industry professionals will come together on the same platform.
- You can meet with new suppliers, customers and business partners.
- You can develop your information about the current market and the future of the market.
