

BGA/Trade Fair & Events/2023/113

10 May 2023

**To All Honorable Members  
BGMEA**

Dear Sir,

I am delighted to inform you to participate in the upcoming Iraq delegation, which is being organized by the Bangladesh Embassy in Iraq in collaboration with BGMEA, will take place from **02-05 July 2023**. This event promises to be a great opportunity for you to engage in fruitful business discussions and explore new opportunities in the Iraqi market. During the visit, there will be B2B meeting held with the Iraqi business community. This will provide an excellent platform for our members to network and build relationships with potential business partners.

It is worth noting that more than 50 members from leading associations of Iraq visited Bangladesh during the "Made in Bangladesh week" in November 2023. This shows that there is already a keen interest in our products and services in Iraq and this delegation offers us an excellent opportunity to build on that interest and take our business relationships to the next level. Additionally, we have been informed that Iraqi business community would like to source RMG from our country. This is a significant opportunity for our members to showcase their products and capabilities to the fastest-growing markets in the Middle East.

Therefore, we request all of our members to take advantage of this opportunity and join the delegation. We are confident that your participation will lead to fruitful outcomes for your businesses and the Bangladesh RMG industry as a whole. We look forward to your enthusiastic participation in this event and wish you all the best for your future business endeavors.

**If you're interested in participating, please contact Mr. Shahriar Rahman, Deputy Secretary, BGMEA, Cell: +880 1671-429218 by 14 May 2023 and provide your business card and passport copy for confirmation.**

Best regards,

  
**Md. Faizur Rahman**  
Secretary General
